

Level 7 Diploma in Business Studies

The Association Information Security Auditors and Business Executives (AISABE) is a UK awarding body and an examination board. We have developed qualifications according to Qualification and Credit Framework (QCF) requirements and guidance in information security, computer science and business studies at Undergraduate and Postgraduate levels. Our qualifications are approved by the UK Universities and provide progressions to UK Masters Degree programs.

Course Aim and Modules

The course has a flexible modular structure and consists of eight core subjects. A particular emphasis is given in achieving an optimal balance of theory and practice; students will be given exposure to leading-edge software and assurance practices. The course modules are as follows:

Marketing Management; Human Resource Management; Financial Management; Operations Management; Contextual Environment of Business; Information Management; Leadership and Strategic Management; Developing Effective Leaders for changing Environment; Research Method for Managers

Eligibility Criteria

Bachelors (Hons) Degree equivalent to UK graduation from a recognized University
2 years proven work experience

Credit Hours - 90 (This is equivalent to NQF 140 Credits)

QCF Level - 7 (This is equivalent to NQF Level 7)

Tel: 0844 809 9220
